

# QSS Customer Education

## ***Welcome to the Introduction to Position Control (STD+ENH) Seminar***

The **Introduction to Position Control (STD/ENH)** seminar, sponsored by the QSSUG Finance/Personnel Committee, will train end-users on the QSS/OASIS Standard and Enhanced Position Control software.

### ***When is it?***

Tuesday, **October 27, 2015**, from **9:00 am to 4:00 pm** (Pacific).

### ***Who might be interested?***

HR/Payroll administrators and staff; Business Services administrators; Technical Support staff; other staff interested in learning more about QSS/OASIS Position Control.

### ***Why attend?***

The **Introduction to Position Control (STD+ENH)** seminar covers:

- Defining what Position Control is and isn't
- Explaining the differences between Standard and Enhanced Position Control
- Exploring the Master Files required to maintain Position Control data
- Maintaining Position Control data
- Using Position Control data to generate salary and benefits cost projections
- Linking Position Control and Budget Development
- Linking Position Control to Payroll

### ***What does it cost to attend?***

**\$25** for each participant attending the seminar employed by organizations that are current QSS Users Group Finance/Personnel Committee members, or **\$250** for non-members.

### ***How do I register?***

- Complete the registration form included with this flyer and return it to **QSS no later than Tuesday, October 13, 2015.**
- Include with the registration form a check made payable to **QSS** for the appropriate amount for each participant attending the seminar.
