

QSS Customer Education

Welcome to the QCC Enhanced Position Control Seminar

The **QCC Enhanced Position Control** seminar, offered by the QSSUG Finance/Personnel Committee, will present a broad overview of QSS/OASIS Enhanced Position Control using the latest version of QSS Control Center (QCC).

When is it?

Wednesday, **November 7, 2012**, from **9:00 am** to **4:00 pm** (Pacific).

Who might be interested?

Chief Business Officials; HR/Payroll administrators and staff; Technical Support staff; other staff interested in learning more about QSS/OASIS Enhanced Position Control.

Why attend?

The **QCC Enhanced Position Control** seminar covers:

- An overview of QSS/OASIS Enhanced Position Control
- Exploring the differences between Standard Position Control and Enhanced Position Control
- Using Position Control data to generate salary and benefits cost projections
- Establishing a link between Position Control and Budget Development
- Establishing a link between Position Control and Payroll
- Maintaining Enhanced Position Control master files
- Managing employee position assignments
- Using the Position Control Report Writer
- Using Enhanced Position Control for Payroll Encumbering

What does it cost to attend?

\$25 for each participant attending the seminar employed by organizations that are current QSS Users Group Finance/Personnel Committee members, or **\$250** for non-members.

How do I register?

- Complete the registration form included with this flyer and return it to **QSS no later than Wednesday, October 24, 2012.**
- Include with the registration form a check for the appropriate amount for each participant attending the seminar.
